Cost: \$70

Early morning basketball clinic emphasizing techniques and drills in preparation for the winter season of basketball. Tuesday classes: October 4, 11, 18, 25; November 1, 8.

SET DESIGN

4:15-5:15 on Mondays

Taught by Emma Weisman

Cost: \$150

Be a part of the design team for the production of Aladdin. Learn how to design, build and paint the set. Collect and build props. All student designers can work back stage for the performances.

SEWING ON THE MACHINE (All levels)

4:15-5:15 on Wednesdays

Taught by B. J. Comerford

Cost: \$195 + \$40 material fee

You are the designer! Be the first on your block to have an original tote bag, hat, or pajamas. Learn to sew on the machine, work with patterns (and create your own!) and do finishing touches as you stitch together different fabrics to make unique clothing and crafts. All levels welcome. Projects will be individualized.

VIDEO GAME DESIGN (8 week class)

4:15-5:15

Taught by Derek Breen

Cost: \$100 **OR** \$10 for Students enrolled in Thursday Extended Day

In this class you will learn how to design a variety of characters to populate your game world and create new gaming levels that will keep you playing. You will learn to use AI to make your enemies sly and dangerous and find out how to add music to your games to heighten the intensity of your playing. You will become skilled at animating your games using classic art and design techniques to make them stand out.
