Grade _____

TELL US ABOUT YOUR CHILD.....

In the *Shema*, we are commanded to teach our children. We are honored that you are sharing this responsibility with us. We believe that we can work together to nurture and support your child most effectively when we communicate with each other freely. As a step in fostering that communication, we hope you will share your hopes and dreams for your child for this school year. Please tell us about your child. How has the summer been? Have there been any significant developments in your child's life? What challenges do you think your child will face this year? What would you like us to know about your child or yourself?

Please feel free to either write on this sheet or attach another. Thank you for taking the time to help us learn more about your child.
